

TUSCAN CHARM,
TRANQUIL GEM

Engulfed adjacent to the central business district of Centro Cinere, a tuscan-inspired cluster with six houses is unveiled. Lush greens, a breath of fresh air and a serene means of living is at the heart of this development. We enable you to feel a constant sense of tranquility and affluence.

FITTED BRILLIANCE,
FINESSE WITH EVERY TOUCH.

These three split-levelled houses are equipped with contemporary, elevated design that extends an emotion to every home owner. High ceilings, large spaces and lush greens all around, each house embodies elements of true bliss. As you take in the fresh air, enjoy private strolls around the cluster, and experience true Mediterranean excellence.
